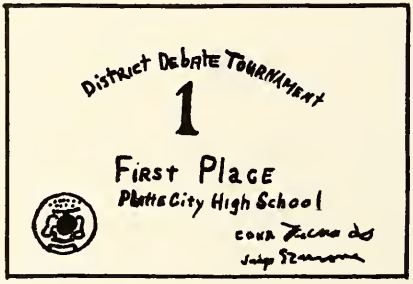
Speech and Debate



For the second time in four years, the Pirate debaters have won first place in district competition; thereby, earning the right to represent the Northwest Missouri District at the State Debate Meet in Columbia on May 6 and 7. Members of the team are Don Wade, Ruth McCaleb, David Gust, and Arvid Johnson. Speech students from Platte City have had a chance to "see the country" this year. They have attended tournaments in the states of Kansas, Missouri, Texas, and confusion. The debate record this year is the best that Platte City has had in its four years of debate. Students placed third in the following tournaments: Rockhurst, Washington, and Waco, Texas. They placed second at North Kansas City.

In individual events, the students also did better than they have done in previous years. For the first time, Platte City had students winning two first places, one second, and two thirds. GeorgeAnne Tatman placed first in humorous interpretation at the Sedalia Novice Tournament and the St. Paul's Tournament. Ruth McCaleb placed second in poetry reading at St. Paul's and Billye Lou Tatman was close behind with third. R. B. Miller placed third in humorous interpretation at the Sedalia Tournament.

In district competition, Platte City received as many 1 ratings as any other school entered in the contests. The students entered in district competition and their ratings are: David Gust, Extemp Speaking, I; Ruth McCaleb, Poetry Reading, I; Sara Lu Scholes, Prose Reading, I; and Arvid Johnson, Radio Speaking, I.

The National Forensic League Chapter at Platte City has jumped from number seventeen in the state at this time last year, to fifth, this year. The size of the chapter is based on the number of members and their degrees. The highest degree possible is Distinction. The next degree is Excellence, then Honor, and Merit. Platte City students holding these degrees are:

SENIOR LETTERMEN--FRONT ROW: J. Searcy, J. Roller, S. George.
BACK ROW: J. Bond, P. Jones, C. Black.

While the Russians were winning gold medals at the winter Olympics, the Platte City Pirates were winning gold trophies in basketball tournaments to decorate the showcases of Platte City High School.

In the Conference tournament the team came out next to the top with the second place trophy. Two weeks later the fourth place trophy at the Christian Brothers tourney helped push the Pirates ahead. The boys went on to place third in the conference, with a 5-3 record. The Regional tournament, held at Winston, was then the talk around school. After February 27, Platte City was headed for the State tournament. At the Regional, Stan George broke the school record for the number of points scored in a game. Stan's points totaled 51 in the game against Breckenridge. Two snowy rides to Blue Springs brought the team through the Sub-State tourney to the semi-finals of the State tournament at Columbia. A beautiful fourth place trophy provides evidence that this is the highest Platte City has ever gone in basketball competition.

Meanwhile the Lady Pirates were very busy, too. For the second consecutive year the girls took first place in the Conference tournament and second place in conference standings with a 4-2 record. Sara Skelton broke the school record for girls with 45 points, scored in the Kearney game.

As for individual honors Sara Skelton and Billye Lou Tatman made the All-Conference first team. Carol Boydston made the second team, and Roberta Kalousek and Judy Carter were given honorable mention.

Platte City was honored to have three boys from PCHS on the All-Conference team. They were Stan George, Chuck Black, and Jerry Bond. Stan was also named to the District team; Jerry and Chuck received honorable mention. To top all individual honors, in April, Stan was named to the All-State Team.

CONGRATULATIONS, KIDS! IT'S BEEN A GREAT YEAR!

TO THE SENIOR CLASS OF 1960

It has been a pleasure and a privilege to serve as your Superintendent the past three years. I have received a deep satisfaction and enjoyment in seeing you grow physically, mentally, and culturally. We share with you your mixed emotions. Happy that you are graduating and life's beautiful adventure lies before you. Sad that you are leaving something beautiful behind.

May the best come your way and may the blessings of peace, prosperity and happiness be yours, are the best wishes of your friend and Superintendent.

L. C. Skelton

It is with a feeling of great satisfaction that I reflect my thoughts to the past two years. Certainly the many successes and plaudits you have received as representatives of the R-III school district reflect the type of class that you have been. You have every right to a sincere personal pride in your school record and its related accomplishments.

Whatever the future holds in store for the graduating class of 1960, I sincerely believe you will be able to meet its challenge. Good luck in the future and may God be with you always.

Will

We, the Senior Class of 1959-60, after twelve and in some cases thirteen or fourteen years of doubtfulness, wish to leave a few belongings to our followers to help them through their following year, but we must add; do not follow our example too thoroughly or you may run into difficulties and another senior year.

Our will goes as follows:

Judy Carter and Chuck Black leave their Homecoming crowns to anyone who deserves them.

Bob Clifton leaves for the Navy. Look out, Waves!

David Gust wills his tremendous physique to Richard Boydston, Mike Knepper, and Alfred Springs, and his speaking ability to Jerry Shouse.

Sue Parman leaves her collection of freckles to Eddie Underwood to add to his present assortment.

Bob Amos leaves his ability to attract women to Jerry Christofi, Warren Pemberton, and Marlon Mason. Good luck, Romeos.

Pat Agee and Shirley Meyer leave the responsibility for the 1961 PIRATEER and all the work involved along with their other activities, to any junior, with the hope that they can use them all.

Jerry Searcy wills his acting ability to Harley Jones.

Bert Cornish sadly leaves Vickie Skinner.

Donald Wade bestows upon Bill Nash and Arden Witt his ability to always be seen, but never heard. We hope they put this one to good use!

Eloise Rose leaves her position on the High Honor Roll to Sara Skelton. We hope Sara likes it way up there.

Jack Naylor leaves his flirting ways to Rose Lewis and Aletha Kay Buckler to add to what they already have.

Billye Lou Tatman leaves her twirling ability to Sandra Shaw.

Jerry Roller leaves his dancing ability to Steve Farmer. Maybe this will help Steve win more dancing contests.

Bob Bryan leaves his dimples to Ruth McCaleb and Ron Slover.

Carol Boydston and Stanley George leave their height to Roberta Edlin and Arvid Johnson and hope that they can make use of it on the basketball court.

Shirley Hunt leaves her ability to get a diamond ring to Jo Karen Nash and Roberta Kalousek. Good luck, girls!

To Ronnie Wade and Judy Porter, Mary Jane Brown and Floyd Miller leave their quiet and polite ways in the hope that they will turn over a new leaf.

Gary Weaver prefers to keep what he has and leave nothing to anyone.

Donald Walker leaves space in the band room for a new instrument.

Barbara Zeigler and Carolyn Sloan leave their long hair to Carol Lee Palmer to practice pinning up every night.

Phil Jones leaves his position as halfback to Bill Wallingford and David Reineke and his track record for Jim Hon to conquer.

Jerry Bond leaves his blushes to Wilson Tatman and John Boydston.

Dona Sharpe leaves her SOFT voice and her SOFT laugh to Cheryl Lechtenberger and Linda Everett.

Gracie Green leaves her cheery disposition to Pat Whitton and Beth Ham.

Andy Jones leaves all his managing duties to Mary Etta Meyer. She always did like to help Andy with his work.

Barbara Pirch leaves her winning streak in debate to Donnie Wade and Lois Pearson.

John Brubeck wills his seat in Bookkeeping class to whomever wants it--poor soul.

The Seniors leave these things in the sincere hope that the Junior Class will make use of them all and with a final request that we may be allowed to make frequent visits to see that they are being used to the best advantage.

Prophecy

It is the year 1975, and the new P.C.H.S. has just been completed. Bert Cornish, the first superintendent of the new school, is walking through the halls, admiring the facilities he didn't have when he was going to the old P.C.H.S. Now he comes upon the framed picture of the class of '60. What a class!!! As Bert notes each individual picture of his classmates, we will peek into his mind while he thinks what each person is doing now--15 years later.

Stan George plays pro football for the Detroit Lyers and attends to duties as Missouri State Executioner during off-season.

Carolyn Sloan has done great things. She lives at the Waldorf-Astoria Hotel, where she is Head Moth-ball Inspector in charge of inspecting moth-ball inspectors.

Jack Naylor has just auctioned off one of his teams of the National Basketball Association, where he played for several years.

David Gust gave up a good law practice to become County Extension Agent in Platte County, because he could lead the Pledge of Allegiance at his new job.

Billye Lou Tatman is the world's most fabulous lady poet, who wrote TANATHOPSIS, THE MORNING STROLL OF PAUL REVERE, SNOWBONDED, CASEY BOUGHT A HAT, and many, too many, others.

Bob Clifton recently became the world's fastest human with his successful piloting of the XR-41, America's fastest rocket ship. Bob always was a fast cat.

Bob Bryan recently retired as the Navy's youngest Admiral after serving time since graduation.

Barbara Pirch just formed her own Secretarial and Bookiekeeping Corporation which reportedly takes in 2 million dollars a week and spends 5 million.

Patty Agee was elected President of the P.T.A. on the strength of the work of her eight children, who stuffed the ballot box.

The fabulous team of Don Wade and Floyd Miller recently completed computations and calculations involved in the proof of their universal expansion theory and the related ideas which reportedly goes about 13 1/3 steps beyond Einstein.

Carol Boydston has moved to the Ozarks with her husband, Tommy, where they make corn-cob pipes and distill--uh.....well, you know what.

Chuck Black and Judy Carter attended college where Judy was Chuck's personal cheerleader during his three years as varsity half-back. After college they quietly married and are now living in South Africa.

John Brubeck now heads the English and Speech Department here at P.C.H.S. Enough said.

Sue Parman operates Kansas City's largest beauty shop, and in addition to this hair-bleaching career, is married to her husband and is the mother of her four children.

Gary Weaver was recently enshrined in Westminster Abbey in honor of his development of the famous quadrified turriculate testudo graeca, a Greek turtle shaped like a four leaf clover with a turret on the top which is also useless.

Dona Sharpe is Scientist Weaver's Private Secretary, which is suspicious because she has had no secretarial training. Actually she helps him with his math.

Bob Amos is the millionaire owner of a chain of supermarkets. He races cars for a hobby, but somehow, the cars always win.

Shirley Meyer became No. 1 on the F.B.I.'s most wanted list as a result of passing ten million dollars' worth of bad checks, all of which bounced because she really wrote hers on rubber.

Phil Jones is an outstanding lawyer and recently accepted the appointment as judge of the Supreme Court where he also passes judgment on the peanut vending machines.

Barbara Zeigler is Hollywood's leading manufacturer of toupees, perukes, and other wigs for the big-wigs.

Don Walker is the head of "Don Walker, and Company, Incorporated", which manufactures Don Walker Incorporated Products, among them the famous indestructable, indescribable, inconceivable, and unobtainable Don Walker Robot.

Jerry Roller has gone into the animal business. He has become famous for the excellent training of his pet dinosaurs. He is also working on a new series of children's stories.

The eldest of Shirley Hunt's ten children has finally taught Shirley to drive. Thank goodness for trains and airplanes.

Prophecy

Mary Jane Brown, who lives next door to Shirley Hunt, is in a very convenient position to act as full-time baby-sitter for Shirley's children.

After Andy Jones' surprise graduation from Medical School, the United States Census Bureau reported that the population of the United States decreased for the first time in history.

Gracie Green has followed in Miss Roger's footsteps--she now teaches shorthand here at the new school.

Jerry Searcy is now a playwright. He is famous for his ANALOGY OF A MURDER, SOUTH BY WEST-NORTH, MURDERS IN TWO MORGUES, and THE DEATH OF EVIL-EYE FLEEGLE.

Eloise Rose, because of her love for small dogs, has started a career of designing clothing for the small dog. Her newest creation on the market is a pair of mink-lined booties.

Jerry Bond retired immediately after high school to farm, and presently is loafing on his small 250,000 acre mid-western farm.

What was that noise? Oh! Oh!--the school bell. Another day's work has begun. As Superintendent Cornish hurries down the wide corridor, he takes one last look at the class of '60. What a class!!!

SCHOOL SONG

We're loyal to you, P. C. High,
To you we'll be true, P. C. High,
We'll back you to stand, 'gainst the best in the land,
For we know you have sand, P. C. High, rah, rah,
So follow that ball, P. C. High,
Go crashing ahead, P. C. High,
Our team is our great protector,
On boys, for we expect a victory
From you, P. C. High!

Fling out that dear old flag to which we'll be true,
Bring on your girls and boys fighting for you,
Like men of old on giants placing reliance,
Shouting defiance, rah, rah, rah,
Among the broad green fields that nourish our land,
For honest labor and for learning we stand,
And unto thee we pledge our heart and hand,
Dear Alma Mater, P. C. High.
